

# Tylö sauna heater Sense MPE

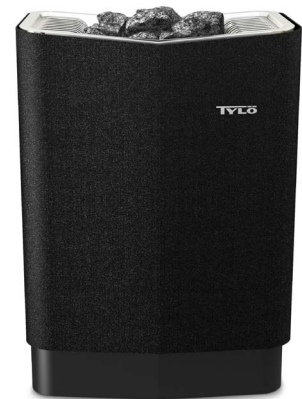

Sense MPE is a brand new sauna heater, combining sleek design with the reliable functionality and genuine quality of Tylö. Sense's quick and pleasant heat and precise temperature control will free all your senses. The heater is equipped with a fiber-coated outer shell in order to minimize the risk of burns and an easy-to-clean, removable compartment for fragrant essences – all in a completely new design to complement any sauna.

## Free your Senses

Sense MPE provides you with quick and safe heat in a brand new design. The heater has protection from overheating as well as our patented energy-saving feature "divided output".

You can choose 6.6 or 8 kW and can select from a wall-mounted or floor-mounted heater with optional legs (Legs art. 9000 1060). Sense heaters requires one packages mini sauna stones (art. 9014 1050).

Sense MPE comes with the touch control Pure designed for wallmounted installation.

Model	Output (kW)	Sauna volume (m <sup>3</sup> )	Suitable control panel	Weight of stones (kg)	Size in mm (HxWxD)
